Klinik für Nieren- und Hochdruckkrankheiten,
Rheumatologische und Immunologische
Erkrankungen, Uniklinik RWTH Aachen

**IgA in IgA nephropathy –
new treatment options**

Dr. Claudia Seikrit is a nephrologist at the University Hospital Aachen. She has a strong interest in IgA nephropathy and is involved in aspects of pathophysiology connected to the mucosal immune system. She is part of the Aachen Study Centre and supervises patients in clinical phase III studies with glomerular diseases.
