

**Newsletter of the Equal Opportunities Coordination Office**  
**UR.Equal Opportunities Nr. 6/2024**

Dear readers of our Newsletter,

we hope that you all had a nice, warm, and sunny summer. At the Equal Opportunities Coordination Office, we are back from vacation and very happy to welcome our **new colleague for Gender Consulting, Dr. Nicole Cucit!** While preparing an application for a third-party funding program, you may get in touch with her for all sorts of questions on integrating gender (and diversity) dimensions in your research project. At the same time, we say goodbye to Carina Ehrnsperger, who coordinated the Supplementary Studies Program "Gender Competence" for the last four years and worked in different fields at the Equal Opportunities Coordination Office. We will miss her as our colleague and wish her all the best for her doctorate.
