OFFICE OF THE DEAN OF STUDIES

Information sheet

on the exchange program of the Faculty of Medicine (Clinical traineeship-Famulatur)

The University of Regensburg maintains partnerships with other universities in the field of Medicine. There is the possibility for students to perform a part of their **clinical traineeship (Famulatur)** at a hospital of a partner university abroad.

The duration of a clinical traineeship-stay as part of the exchange program takes **up to 4 weeks**. There are offered up to **2 study abroad spots each application date**.

A multiple application for 2 exchange programs is possible. (Please note in the application form)

Condition is that the applicants have **already completed 8 weeks of their clinical traineeship**.

A selection process takes place (possibly also a selection interview).

University of Zambia (University Teaching Hospital Lusaka) / Livingstone General Hospital
